EXECUTIVE AND TECHNICAL BIOGRAPHIES

Garcia, Fabiola - President and Director

In 1990, Fabiola received a Bachelor of Science in Healthcare from Pontificia Universidad Javeriana. Starting in May 1991 Fabiola performed information management tasks in the Intensive Care ward at Fundacion Santa Fe Hospital in Bogotá, Columbia where she was responsible for maintaining critical and time sensitive patient information. In 1998, Fabiola received a Bachelor of Arts in History Studies. With her new degree, she went on to perform her history internship at the Institute of Museum and Library Sciences, and at Museo de la Biblioteca Luis Angel Arango. Fabiola now serves as the Administrator for EB2K Electronics in Montreal, Canada, where she has been since 1999.

Johanna, Garcia

311-9319 University Crescent, Burnaby, BC V5A4Y5

Johanna attained her Bachelor degree in Industrial Design in Bogotá, Colombia, 1992 and her Master of Business Administration from the Universidad de los Andes, Bogotá, Colombia, in 1997. In 1998 she continued her studies specializing in Marketing at the Concordia University, in Montreal, Canada.

Ms. Garcia has a significant track record in organization management. Her most recent position is as the President of Merconnet.com from 2000 to the present. In this position her duties range from setting long term strategy such as identifying new markets and aligning marketing strategy to quantitative market research and coordination of database development, from staff coordination to customer relationship creation and management. She has overseen deployment of new branches in UK and South America.

Prior to her tenure with Merconnet.com Ms. Garcia was the General Manager with EB2K Electronics (Easybuy2000.com) where her duties included team building and daily department coordination, fostering strong communications and business relations with all suppliers, as well as staying current with market developments through tradeshow participation in US, Asia, and the UK. In this position Johanna oversaw import and export logistics of all products to USA from Asia and dealt with freight forwarders as well as customs brokers and Canadian customs.

Ms Garcia is an exceptional problem-solver and decision maker with diverse experience in finance, accounting, and all aspects of office operation, as well as expertise in general accounting, payroll taxes, analysis, management, budgeting, cash management, cost accounting, management reporting, inventory, payroll, accounts receivable and payable, and information systems.

Tchaou, Bernard - Accountant

Bernard first received a Bachelor of Business Administration in Accounting in 1998 from Catholic University in Yanunde, Camerun. He then functioned as an accountant for EB2K Electronics in Montreal, Canada. Engaged in the accounting field, Bernard went on to obtain a Master of Management and Professional Accounting from HEC Montreal in Canada in 2003. Bernard remains an accountant with EB2K Electronics, where he participates in financial audits, tax services, and various report generations, just to name a few functions.

Biris, Catalin – Treasurer & Customer Service Representative

In 2005, Catalin received a Bachelor of Science in Computer Science from McGill University in Montreal, Canada, with notably high academic honors. Since her graduation, Catalin has assisted with support, maintenance, and configuration of computing infrastructure at McGill University in Montreal, Canada, and has been involved in Software Engineering with EB2K Electronics, also in Montreal, Canada. Catalin's experience has engaged her in C/C++ programming, A+ software enhancement testing, administration of Linux Systems, prototype development, and more.

Law office of Kristopher E. Twomey, P.C.

Kristopher has been engaged by Allo Telecommunications to assist in negotiating the telecom regulatory and legal landscape. Kristopher attended the University of New Hampshire later attaining his law degree from the American University. The Law office of Kristopher E. Twomey, P.C., represents traditional CLECs offering regulatory support. The firm has assisted dozens of organization with the decision to start a CLEC and with the ultimate implementation. Representation starts with filing the necessary paperwork through interconnection agreement negotiation, and ultimately being in a position to submit orders to the ILEC. After that, the firm provides updates and advice regarding the constant regulatory change.

AmericanCLEC

Allo Telecommunications has contracted with American CLEC, Inc., (contact: April Coffman, 502-815-7167) a CLEC consulting company to help it with business model design, establishing an operating facilities based CLEC, and with the technical and regulatory matters associated with ongoing operations. AmericanCLEC, through its parent company Win.Net, brings over 14 years of telecommunications product experience to this endeavor.
